

## I Touch Roses

Book Of Love

If you think I'm magical  
cause roses bloom with my touch  
thats mathematical  
I think you think too much

I touch roses

If you try to talk with me  
if you try to copy my  
pocket full of poses  
you still can't touch my roses

I touch roses  
I touch roses  
I touch roses  
I touch roses

If you think I'm magical  
cause roses bloom with my touch  
but magics just not practical  
I think you think too much

I touch roses
