

## Lost Souls

Book Of Love

It's my heart  
it's not your game  
look what you can do  
you broke us in two

Lost souls

I don't care  
if they talk  
when I walk away  
you asked me to stay

Lost souls

Spreading lies  
everywhere  
they all lead back to you  
they all lead back to you

Lost souls
