## **Book Of Love**

My heart is aching whenever I'm with you you turned me inside out and I don't know what to do a tempting treat is tearing me apart the taste of fruit is melting my heart

Now I'm yours forever ate a pomegranate seed I only took a little bite but that's all I need I know that this is crazy and not very smart but I like the way it feels to have a melting heart

Spring is almost over at least that's what I'm told the flowers and the leaves will die and we'll grow old but I'll sit on a cushion and indulge in my dream and feast upon strawberries sugar and cream

Melt my heart melt my heart melt my heart melt my heart
