

## Catch Me If I Fall

Boondox

Juggalos and juggalettes it makes me proud to announce from the  
south of hell boondox

Who gon catch me when I'm falling down into darkness  
What have I created my dreams fall apart when a demon gets  
Discovered an angel has to suffer just leave me in my hell I wi  
ll put nothing above us  
(2x)

One prick from an infernal pinch fire in my veins burning like  
a bitch  
So sick till I get my fix I'm sweating in the corner with a cru  
cifix  
Her tears from like bastard angels fall from heavens graces thi  
s hell I'm living in this sin I'm seeing demons faces  
The darkness takes over my senses fall into a coma mix blood an  
d soma wash it down with some holy water dance with the devil  
By the pale moon light with a needle for my appetite get on my  
level 6 feet in the dirt never see the light

Who gon catch me when I'm falling down into darkness  
What have I created my dreams fall apart when a demon gets  
Discovered an angel has to suffer just leave me in my hell I wi  
ll put nothing above us  
(2x)

No rest for this wicked soul and everyone suffers when it takes  
control my family looking at me like I'm the demon I'm trying  
to  
Hide it but they know somehow they do gotta keep moving down th  
is vanishing path while I'm stuck in a chemical bath soaking on  
my own behalf  
But I'm taking them with me as much as I try to lead them right  
while I go left I know their trying to help me but I gotta fac  
e this demon by myself  
As I wonder who gave me this curse it was me and yet no other i  
f I cant win against this demon forever my angels have to suffe  
r

Who gon catch me when I'm falling down into darkness  
What have I created my dreams fall apart when a demon gets  
Discovered an angel has to suffer just leave me in my hell I wi  
ll put nothing above us  
(2x)

On my knees and look to the sky please lord help me now its got  
me and I don't know how everything  
I know is gone sitting here I'm all alone and tryin to figure e

verything out

Who gon catch me when I'm falling down into darkness

What have I created my dreams fall apart when a demon gets

Discovered an angel has to suffer just leave me in my hell I wi

ll put nothing above us

(2x)
