Well clap your hands then  
Come on clap your hands!

Put your hands together  
And clap yeah  
Now everybody say "Bootsy!"

Wait a minute now  
The Mothership Connection  
Has landed ladies and gentlemen  
And I can see stepping from the space craft birds  
Along with P-Funk  
A group of young men  
Originating out of Cincinnati, Ohio  
You see Warner Bros. picked them up  
Spreaded them about this  
United States country  
And right now we gonna  
Sock 'em to ya!

Say "Bootsy" again  
Everybody come on!  
Bootsy!  
Bootsy!  
Bootsy!  
Bootsy!

Introducing ladies and gentlemen  
Bootsy's Rubber Band!

Hey Leroy!  
There go Bootsy right there!  
Where I don't see him, where?  
Right over there, right there  
I wonder if we can ask him a question  
I guess so  
I'm kinda scared  
Oh man come on!  
Wow man you hear that?  
This is live man!

Hey Bootsy man, why your face like a star?  
Uh the name is Bootsy baba

And the better to funk you my dear

Casper, why we can't see you?  
Well, uh, I'm indiscrete 'cause I lost my sheep  
And I does not know where to find them

Hey Bootsy, Bootsy  
The eyes, ooh  
They like stars too!

I say Bootsy, you're a superstar, right?  
Uh, twinkle twinkle baba  
Heh heh, I told you man

Now, can I play?  
Can I play with you today?  
I'd sure like to play  
If you think that it's OK

Take all of me  
Why not take all of me?  
(Bootsy! We wan't Bootsy!)  
(Bootsy! We wan't Bootsy!)  
(Bootsy! We wan't Bootsy!)

Uh I'll be a snowball in the summer time  
Melt all over you  
(I ain't never EVER seen nobody like this before)  
All of me  
Why not take all of me?  
I feel like singing today baba

(Bootsy! Gimme some Bootsy!)
