Feels like some kinda rush Yeah, yeah, so good Wanna show you how I feel Can't get enough, turn it up

It's like some kinda drug
Irresistible urge
It flows through my body
It's lifting me up

So outta control
Taking over my soul
I can't escape it
'Coz I'm caught in the zone

My pulse flows to the tempo, oh I I just can't escape Feeling time and time again Can't stop 'cause I've never felt so alive

Feels like some kinda rush Yeah, yeah, so good Wanna show you how I feel Can't get enough, turn it up

What feeling is this' A desirable bliss Gives me butterflies Feels like my first kiss

I just can't deny
I need this feeling to heal
My belief in the moment

My pulse flows to the tempo, oh I I just can't escape Feeling time and time again Can't stop 'coz I've never felt so alive
