

# Rest My Child

Borealis

I look back,  
just to see you smile  
Remember the time  
you were here

Our moments gone,  
my life will fade away  
I can't forgive  
the things I've done

Rest my child, your sorrow is over  
A new life has just begun

I'm running away, but I can't take  
I can't take this anymore  
And I want you to know  
That I was wrong

Now I'm alone, forever I deserve  
Promise me you'll return  
Time is over now, just another day  
I gave you nothing to the world

Rest my child, your sorrow is over  
A new life has just begun

I'm running away, but I can't take  
I can't take this anymore  
And I want you to know  
That I was wrong
