

Act Like A Ho

Borgore

Girl, when we're in bed act like a ho
Yeah I wanna ride my pony
Have myself some rodeo
Buying you diamonds
Spending tons of dope
You better watch some porn
And show me tricks that I don't know

Girl, when we're in bed act like a ho
Wear your sexy lingerie and give me a private show

Yeah if your flower is rot
I got keys for the backdoor
You should bring one of your girlfriends
Or ten or even more
But when we're out in public
You should represent
Dress fucking classic, look hard to get
No one in the world should guess that I'm From all this fucking
in the ass

Girl, when we're in bed act like a ho
Ho, when we're in bed act like a ho
Girl, take example from these bitches
In bed act like a ho but first do the dishes!

Girl, when we're in bed act like a ho
Act like a ho
Act like a ho
But first do the dishes!
