

Syrup

Borgore

Borgore is my sugar daddy
No talking, just sucking dick
I don't share my cake
You can try with Robin Thicke
You want that syrup?
You need to make an affair
Clap that booty, Imma sponsor that the green spencer
And them yoga classes
So we can do some yoga
The force is strong in that booty
Imma call it Yoda
Imma call it Yokozuna
Imma call it Biggie
Girl, I like you a lot
And I think you're freaky

I want that syrup, I want it badly, I want it in my mouth when
you are ready
I want that syrup, I want it badly, I want it in my mouth, I'm
feelin thirsty
She want that syrup, she want it badly, I will supply it, it wi
ll be messy
She want that syrup ,she want it badly, I will supply it, she's
really thirsty
She's really thirsty I'm feeling thirsty I want that syrup, I w
ant it badly, I want it in my mouth when you are ready
I want that syrup In my mouth
She want that syrup I'm feeling thirsty
Syrup in my mouth
Badly
