

# Cordelia

Boris

So you're eager to fly  
On a silver wing  
Can't break a day and your sliding on  
a silver wing  
It was high over housetops  
And the chimneys of this town  
You made your getaway  
And you never look down

I'm in so much velb and you count it on  
the silver wing  
Can't break a day and your sliding on  
a silver wing  
There was no time for yuligies  
There was no time for song  
They came right and looking  
And you're already gone

But I.. I love you Cordelia  
Tell the world I do  
There ain't nobody like me  
Gonna see you trough  
They'll be blinding you Cordelia  
Tryin' the get you in its way  
But I'm watching you  
Every step of the way

And the poets in the valley  
they shake their heads  
They're scribbling on the tablets  
But their words can be read  
When the morningsun climbs the hilltop  
It's so damn easy to see  
But some things must remain unsaid  
Wrapped in mistery

But I.. I love you Cordelia  
Tell the world I do  
There ain't nobody like me  
Gonna see you trough  
They'll be blinding you Cordelia  
Tryin' the get you in its way  
But I'm watching you  
Every step of the way

So bring me my arrow  
You go and get my bow  
I've got business to tend to  
I can't stand to see you go  
They'll be talkin' 'bout you Cordelia  
Every once in a while  
And it stirrs me up like the first time  
Though I wish I could deny

But I.. I love you Cordelia  
Tell the world I do  
There aint, nobody like me

Gonna see you trough  
They'll be blinding you Cordelia  
Trie the get you when you sway  
But I'm watching you  
Every step of the way  
Yeah I'm wachting you every step of the way
