

In a Deeper World

Borknagar

Deify the universal coherence
existence
The progeny of subsistence
bearer of man, the heirs of amend

Soak into the stellar magnitude
Rise towards the sky

In a fiery union with nature
as one with every creature
Rove the windy mountains
fall of man, drain in the sand

Rise towards the sky

In a fiery union with nature
as one with every creature
Rove the windy mountains
fall of man, drain in the sand

...in a deeper world

Deify the universal coherence
