OK Mister media relations, hired & fired in the space of a sent ence, and

somewhere in between you bounced back at me, I can't believe the garbage

you tried to push for a full time job, I won't say I told you s o just

beware of salesmen bearing gifts that amount to a whole lot les s than what

you threw away has the backlash even started the way the shit $\ensuremath{\mathbf{w}}$ as coated we

may never know how much damage was done.
