

## Zero Hour

**Born from Pain**

Thoughts are thought,  
From the heart.  
The fight is there,  
The fight is hard.  
Done with failure  
Walk the line.  
Done with hardship,  
Wasting time.  
Pushing harder  
On the edge.  
Keeping balance  
On the ledge.  
Believing then,  
Believing now,  
Giving in  
Don't know how

Fighting harder!

Thoughts are thought,  
From the heart.  
The fight is there,  
The fight is hard.  
Done with failure  
Walk the line.  
Done with hardship,  
Wasting time.

Fighting harder!
