

# Divergency

## Born of Osiris

Dissonance Rings Through This Culture  
Standards Drown Intent  
There's Always Something You Live For

Tomorrow We Die Alive  
So Our Feet Hit The Ground Tonight  
Is It Enough To Hold On To?  
Hold On To?  
Our State Of Mind

This Is Our Unity  
Form Into Agreement  
Unfold  
And Orchestrate  
Are You Feeling It Now?!

This Is Our Unity  
Form Into Agreement  
Unfold  
And Orchestrate  
This Is Our Unity

There's Always Something To Live For  
(Always A Sense Of Direction)  
Why Don't You Wander With  
Divergent Visions?

Feeling Of Lack Of Contentment  
(Need A Relief New Invention)  
Are You Feeling it Now?!  
Revoke These Patterns Undo Routines  
Are You Feeling It Now?!  
Tomorrow We Die Alive

Tomorrow We Die Alive  
So Our Feet Hit The Ground  
Tonight

Can You Explain  
(Can You Explain)  
Your Position?  
(Your Position?)  
What Are You Afraid To  
(What Are You Afraid To)  
Encounter?

Tomorrow We Die Alive  
So Our Feet Hit The Ground Tonight  
Is It Enough To Hold On To?  
Hold On To?  
Our State Of Mind

This Is Our Unity  
Form Into Agreement  
Unfold  
And Orchestrate  
Are You Feeling It Now?!

This Is Our Unity  
Form Into Agreement  
Unfold  
And Orchestrate  
This Is Our Unity

Make An Attempt An Amendment  
(Not A Regret To Look Back On)  
Why Don't You Wander With  
Divergent Visions?

Feeling Of Lack Of Contentment  
(Need A Relief New Invention)  
Are You Feeling it Now?!  
Revoke These Patterns Undo Routines  
Are You Feeling It Now?!  
Tomorrow We Die Alive

Tomorrow We Die Alive  
So Our Feet Hit The Ground
