Take another look at yourself!
Tell me, what do you see? (what do you see?)
Your soul's reflection,
is it (is it) what it used to be?

So take another look at yourself!
Tell me, what do you see?

Answers revolve around our heads like figures of our imagination.
Measure is taken to purge pleasure and take life in as pain.

This is bigger than you and me!
Cause this is bigger than you and me!
Alarms, as you wake, from the dream!
Human fellowship is sacred,
cause this is bigger than you and me!

Take another look at yourself!
Tell me, what do you see? (what do you see?)
Your souls reflection,
is it (is it), what it used to be?

So take another look at yourself!
And tell me, what do you see?

As we move along, waiting here,
our days repeat and increase!
Your default setting,
runs your life secretly!

Which direction are you heading?
Escape this pressure!
This is bigger than you and me!

(Alarms) Alarms as you wake, from this dream!
Human fellowship is sacred,
cause this is bigger than you and me!
(Alarms) Alarms as you wake, from this dream!
Human fellowship is sacred,
cause this is bigger than you and me!

Separate yourself from the machine.
Embrace your own identity.
Separate yourself from the machine.
Embrace your own identity.
Escape the pressure!

Take another look at yourself!
Tell me, what do you see? (what do you see?)
Your souls reflection,
is it (is it), what it used to be?

So take another look at yourself!
Tell me, what do you see?

Your soul's reflection,
is it (is it) what it used to be?!

Your soul's reflection,
is it what it used to be?
What do you see?!
