Foxes Mate For Life

Born Ruffians

Make a point of having fun It'll help you get through life "Life sucks and love is dumb" Golly, that's a real lie

And I know Foxes mate For life because They're in love

Learn as much as you can Read a book, watch less TV It's worth it in the end Just take a look at me

And I know Foxes mate For life because They're in love

Someone should terminate him Before he infects the others Don't let children have ideas They might want a real life

And I know Foxes mate For life because They're in love
