I'm a little garçon in my head
With a little fille that's stuck in bed

Oh, I get told (I get told) to never get old (to never get old)

I'm a little garçon in my head (I'm a little garçon in my head)
With a little fille that's stuck in bed (with a little fille th
at's stuck in bed)

Oh, okay, yeah, that's where you go
Oh, come and dance with me

Yeah, go, alright, that's what you do
Go, come and dance with me
