

Hakuai no SLOW MOTION

BORN

Obscene tragedy
A girl blooms all over tonight also
Now, it can laugh

yoru o koete doko e yukou mezamereba hiekitta taion
yoru o koete doko e yukou mada minu anata yo

I who am addicted to se**** intercourse am sad, and dirty

kore ijou mou watashi o kesenaide
nando demo iu anata ni fureteitai
kinou yori mo sou tsuyoku fukaku shimetsukete
isso kokyuu wasuresasete

Since loneliness is dreadful, it wanders about a town
I would like to burn fire to the cold heart

osanaki hi fusuma goshi haha to asobu kare chigau hito
tokeatta SILHOUETTE me mo aterarenai kirei
kubisuji ni kusari no you ni ato o tsukete
Someone should bind me
Don't make me into one person
omocha de ii kudakechiru made tatakitsubushite

I who am addicted to se**** intercourse am sad, and dirty

ima dake de ii watashi ni izon shite
kogoete shimau anata ga inai to
yakitsukusu you ni tsuyoku fukaku kogashite
hai ni naru made

kon'ya no anata totemo yasashisou de
kuchidzuke no tabi hoho o sotto naderu
hajirau anata jirasanaide hayaku hayaku
isso kokyuu wasuresasete yo
