

# Bye bye girl

Bosson

And now is bye bye girl  
I know we'll meet again,  
now is bye bye, we will meet again.  
bye bye girl,  
our love will never end,  
now is bye bye, our love will never end.

I 'm gonna miss your voice  
I will remember all the moments (all moments baby),  
no one's gonna take your place (your place, your place)

And now is bye bye girl  
I know we'll meet again,  
now is bye bye, we will meet again.  
bye bye girl,  
our love will never end,  
now is bye bye, our love will never end.  
Baby, you will see our time will come.

And when you put your arms around me  
you're trying hard to stop your tears  
you say this way will make our life stronger.  
If that's the meaning we are meant to be.

And now is bye bye girl  
I know we'll meet again,  
now is bye bye, we will meet again.  
bye bye girl,  
our love will never end,  
now is bye bye, our love will never end.

Whoa...

na na na na na na na na na na na na na na  
na na na na na whoa na na na na na na na na

During the day I used to hear you  
and through the night I you used to be by your side.  
I 'm gonna miss all the fun all the laughter  
I'll be waiting our day to go  
bye bye good bye baby.

And now is bye bye girl  
I know we'll meet again,  
now is bye bye, we will meet again.  
bye bye girl,  
our love will never end,  
now is bye bye, our love will never end.
