

One Of A Kind

Bosson

[Intro]

I don't trust you, that's what I like about you
I can't reach you, that's why I wanna have you

It's been so easy, easy come and easy go
Going in the fast lane, love is for free and so are you
I took some wrong turns, and now I get what I deserve
You're the one I deserve you're the one cause....

I don't trust you, that's what I like about you
I can't reach you, that's why I wanna have you
Wanna get to know you,
I wanna figure you out
Because you're different,
We're gonna be one tonight

You met the right man, cause we are just the same
And I will show you, cause I invented this game
I'm comin' at ya, cause you have made up my mind
This is it! We are...

[Chorus]

Baby we are ONE OF A KIND
oooohh, bady we are one of a kind
oooohh, we're one of a kind
oooohh, baby we're ONE OF A KIND.

I've been a bad boy, leaving many broken hearts
I didn't mean to, I was to afraid to break my own heart
But now I'm ready, ready to get what I deserve
You're the one I deserve
You're the one cause...

I don't trust you, that's what I like about you
I can't reach you, that's why I wanna have you
Wanna get to know you.
I wanna figure you out
Because you're different, we're gonna be one tonight

You met the right man, cause we are just the same
And I will show you, cause I invented this game
I'm comin' at ya, cause you have made up my mind
This is it! We are...

[Chorus]

Baby we are ONE OF A KIND.
oooohh, bady we are one of a kind
oooohh, we're one of a kind
oooohh, baby we're one of kind
oooohh, baby we're ONE OF A KIND.

Hit me the ground
Sweep me off my feet I'm falling in love with you..

Slap me in the face I'm ready to let go
I'm falling in love with you...

[Chorus]

Baby we are ONE OF A KIND
oooohh, bady we are one of a kind
oooohh, we're one of a kind
oooohh, baby we're one of a kind
oooohh, baby we're ONE OF A KIND.
