One Of A Kind

[Intro]
I don't trust you, that's what I like about you
I can't reach you, that's why I wanna have you

It's been so easy, easy come and easy go Going in the fast lane, love is for free and so are you I took some wrong turnes, and now I get what I deserve You're the one I deserve you're the one cause....

I don't trust you, that's what I like about you I can't reach you, that's why I wanna have you Wanna get to know you, I wanna figure you out Because you're different, We're gonna be one tonight

You met the right man, cause we are just the same And I will show you, cause I invented this game I'm comin' at ya, cause you have made up my mind This is it! We are...

[Chorus] Baby we are ONE OF A KIND oooohh, bady we are one of a kind oooohh, we're one of a kind oooohh, baby we're ONE OF A KIND.

I've been a bad boy, leaving many broken hearts I didn't mean to, I was to afraid to break my own heart But now I'm ready, ready to get what I deserve You're the one I deserve You're the one cause...

I don't trust you, that's what I like about you I can't reach you, that's why I wanna have you Wanna get to know you. I wanna figure you out Because you're different, we're gonna be one tonight

You met the right man, cause we are just the same And I will show you, cause I invented this game I'm comin' at ya, cause you have made up my mind This is it! We are...

[Chorus] Baby we are ONE OF A KIND. oooohh, bady we are one of a kind oooohh, we're one of a kind oooohh, baby we're one of kind oooohh, baby we're ONE OF A KIND.

Hit me the ground Sweep me off my feet I'm falling in love with you..

Slap me in the face I'm ready to let go I'm falling in love with you...
