

# Where Are You?

Bosson

Where are you..  
oh oh where are you  
i'm calling your name where are u..baby...ohh..ah ah

some meet in the strangest places  
some meet in the place that they are working  
some meet in their own back yard  
some say it was love at first sight  
some say that they never could imagine  
they say that they found the right one..ahh baby

[Chorus]

where are u  
when i'm calling ur name..ahh baby  
(where are u) when i'm here all alone  
where are u (where are you)  
when i reach out my hand  
oh honey where are u when i need you most ..oh babe  
where are you

some meet at the supermarket  
some meet on a summer vacation  
some meet at the local park  
some say it was meant to be them  
some say that they waited for a long time  
they say that they found the right one..ahh baby

where are u  
when i'm calling ur name..ahh baby  
(where are u) when i'm here all alone  
where are u (where are you)  
when i reach out my hand  
oh honey where are u when i need you most ..oh babe  
where are you

[Bridge:]

oh baby..  
one song has been song is stuck in my head  
and it keeps on going on, every second its stronger  
one song has been song is stuck in my head  
and it makes me feel good, so i can hold on much longer  
one song has been song is stuck in my head  
and it keeps on going on, every second its stronger  
one song has been song is stuck in my head  
and it makes me feel good, so i can hold on much longer

where are u  
when i'm calling ur name..ahh baby  
(where are u) when i'm here all alone  
where are u (where are you)  
when i reach out my hand  
oh honey where are u when i need you most ..oh babe  
where are you
