

## I Had a Good Time

Boston

Hey, you can be so unfair  
And you know I will remember  
You said you'd always be there  
When you go

Hey, I wanted you to know  
I wish you were mine  
And I, I just wanted you to know  
I had a good time  
Ooh I, I had a really good time

You can lie and I'll still believe it  
It's OK, it doesn't matter  
I know that you really mean it  
In your own way

Hey, I wanted you to know  
I wish you were mine  
And I, I just wanted you to know  
I had a good time  
Ooh I, I had a really good time

You know what you want  
Well maybe love is blind  
But's alright, it's cool  
I just wanted you to know  
I had a really good time

Well I've been in love  
But nothing lasts forever  
So just hold on long enough  
And maybe you'll end up together  
It's alright, yeah, yeah, yeah

You can lie to my face and I'll believe it  
It's OK, 'cause there's a feeling you can't replace  
You didn't mean it anyway

Hey, I wanted you to know  
I wish you were mine  
And I, I just wanted you to know  
I had a good time  
Ooh I, I had a really good time
