If You Were in Love

Boston

Dreams slipping away, just like sand in the tide Like words you'll never say, it's so wrong, but feels so right

And now, lost in a dream I sail on your sea Somehow in my fantasy I believe in dreams

We could settle down, wouldn't fool around Wouldn't have a doubt if you were in love If you'd feel the same, I'd do anything, We could find a way, if you were in love with me oh, oh, if you were in love with me

Hope, time after time, with my heart on my sleeve And love will find me tonight, in my dreams when you leave

Oh I, I just dream about you, it brings me to my knees I can't hide what I feel about you, I want to beg you, please

We could settle down, wouldn't fool around Wouldn't have a doubt, if you were in love If you'd feel the same, I'd do anything We could find a way, if you were in love with me Oh I, I dream about you

And now, I'm lost in a dream ... I sail on your sea Somehow in my fantasy, I believe in dreams

Oh, oh if you were in love with me Oh, oh, if you were in love with me

We could settle down, wouldn't fool around Wouldn't have a doubt if you were in love with me If you'd feel the same, I'd do anything, We could find a way If you were in love with me

And now, I'm lost in a dream ... I sail on your sea Somehow in my fantasy, I believe in dreams

Oh, oh if you were in love with me Oh, oh, if you were in love with me

We could settle down, wouldn't fool around Wouldn't have a doubt if you were in love with me If you'd feel the same, I'd do anything, We could find a way If you were in love with me

We could settle down, wouldn't fool around Wouldn't have a doubt if you were in love with me If you'd feel the same, I'd do anything, We could find a way If you were in love with me If you were in love with me
