

Peace of Mind

Boston

Now if you're feelin' kinda low 'bout the dues you've been payin'
g
Future's coming much too slow
And you wanna run but somehow you just keep on stayin'
Can't decide on which way to go
Yeah, yeah, yeah

I understand about indecision
But I don't care if I get behind
People livin' in competition
All I want is to have my peace of mind.

Now you're climbin' to the top of the company ladder
Hope it doesn't take too long
Can'tcha you see there'll come a day when it won't matter
Come a day when you'll be gone

I understand about indecision
But I don't care if I get behind
People li vin' in competition
All I want is to have my peace of mind.

Take a look ahead, take a look ahead, yeah, yeah, yeah, yeah...

Now everybody's got advice they just keep on givin'
Doesn't mean too much to me
Lot's of people out to make-believe they're livin'
Can't decide who they should be.

I understand about indecision
But I don't care if I get behind
People li vin' in competition
All I want is to have my peace of mind.

Take a look ahead, take a look ahead. Look ahead.
