

# Smokin'

Boston

We're gonna play you a song, a little bit of rock-n-roll  
You gotta let yourself go, the band's gonna take control  
We're gettin' down today

We'll pick you up and take you away  
Get down tonight  
Smokin', Smokin'  
We're cookin' tonight, just keep on tokin'  
Smokin', Smokin'  
I feel alright, mamma I'm not jokin', yeah

Get your feet to the floor, everybody rock and roll  
You've got nothing to lose just the rhythm and blues, that's all,  
yeah  
We're gonna feel ok

We'll pick you up and take you away  
Get down tonight  
Smokin', Smokin'  
We're cookin' tonight, just keep on tokin'  
Smokin', Smokin'  
I feel alright, mamma I'm not jokin', yeah

Everybody jumpin', dancin' to the boogie tonight  
Clap your hands, move your feet  
If you don't you know it won't seem right  
We're gettin' down today

We'll pick you up and take you away  
Get down tonight  
We're gettin' down today  
We'll pick you up and take you away  
Get down tonight, well alright
