

# We Can Make It

Boston

I would do anything, anything a man can do  
You're my strength and weakness  
I give it all for you  
I would climb any mountain  
How can I make you see?  
Though the stars may fall, it will always be you and me

The light in your eyes is all the hope I need  
There's so much you can give  
Your smile is my reason to live

Just take my hand, we'll make a stand  
I know that we can make it  
(Hey) It's you and me. The world will see  
I know that we can make it, you and me

I see you, full of sadness  
Wondering 'bout this world we've made  
There's a space between us all  
Love has seen some better days

Oh we can make it  
Oh we can make it

The love in your eyes is all I need to know  
I'm never letting go  
I'm here for you heart and soul

Just take my hand, we'll make a stand  
I know that we can make it  
(Hey) It's you and me, the world will see  
I know that we can make it  
I know that we can make it (Hey, yeah)

Just take my hand, we'll make a stand  
I know that we can make it  
(Hey) It's you and me. The world will see  
I know that we can make it  
I know that we can make it  
You and me
