Botch

I cannot, I will not support your lies,
Innocent organization the disguise,
But in truth a business that feeds
From the pockets of those seeking innocence.
Preaching words of hate,
Unfounded hate,
And you remain in spite of this.

You wish kept from your lives,
A belief for the people you see fit in your eyes.
I will not be broken.
You can not destroy me.
Why can't we accept diversity?
Immunity...
