

## Mondrian Was A Liar

Botch

White eyes in coal mines, concrete industry, bare  
backs, baseball caps | The sweat is part of life we're  
still thriving | We've got alot of  
mouths to feed and we're trying |  
You think I do this for me to join the caste | Flip through  
old photographs of our family's past | Building your  
home, giving you life, our livelyhood | Creators | It's  
always been like this | People you never see the  
ones you'll never be | Working with their hands  
We've downsized again | All through history building  
piece by piece | It's not for you to erase with your  
algebra and your science | Simple labor
