

Cowboy

Bow Wow Wow

Lookin' for a boy, a real boy, strong boy
Searchin' for a boy, a tough boy, rough boy
I just love the smell of his leather skin
Just love to feel muscle in his jeans

Give me a cow, give me a boy, give me a cowboy
I'm looking, I'm searching for someone (who won't go weak at the knees)
When those schoolboy Apaches come knocking

Comb your hair, good looking, prepare to go rocking

Searching for a boy, a real boy, a strong boy
I wanna be squeezed by a pair of boots
I wanna get teased by Westcoast boots

Give me a cow, give me a boy, give me a cowboy
I'm looking, I'm searching for someone (who won't go weak at the knees)
When those schoolboy Apaches come knocking

I wanna be chapped by a lasso freak
Love to be kidnapped, at least for a week

I'm looking, I'm searching for a real boy - give me a cowboy

Give me a cow (cow), give me a boy (boy), give me a cowboy
I'm coming to hunt you down, Geronimo
I'm sure I can't stand this world much longer

Give me a cow (cow), give me a boy (boy), give me, give me a cowboy
I'm coming to hunt you down, Geronimo (hear the wolf attack in the canyon)
I'm sure I can't stand this world much longer
