

Lonesome Tonight

Bow Wow Wow

Cos my baby doesn't want me, doesn't want me anymore

I'm so lonesome tonight, I'm so lonesome tonight

I'm so lonesome tonight, whoah-oh-oh

'Cos my baby doesn't want me, doesn't want me anymore

I'm so hungry for love, I'm so hungry for love

I'm so hungry for love now, whoah-oh-oh

'Cos my baby doesn't want me, doesn't want me anymore

He don't phone me no more, no, he don't knock on my door

He don't want me no more, no, I'm so hungry for love now, whoah-oh-oh

'Cos my baby doesn't want me, doesn't want me anymore
