

# I Ain't Playing

**Bow Wow**

I see you lookin at me exactly like you know wat it do  
When I leave where I'm at. make my way over to you  
Cause I ain't playin with you girl (just want you to know) I ain't playin  
If I whisper in your ear wats goin thru in my in my head baby  
I bet you turn around n tell me baby let's le-eave

Any girl JD used to bring around I had a crush on  
Wishin I cud take em to my room and get my touch on  
If you was jus a lil older is wat dey used to say  
Kissin me huggin callin me baby how dey use to play  
But now that I am tewnty-one if you go to kissin n huggin me  
Lil mami I'm trying to cop sumtin, I'm in da club now tearin up  
Tank top, standin on da couch screamin "who bet I can't stop"  
Album number 7 started at 11 steady yungest nigga killin it  
Shawty you better tell em uh, used to be your lil sister dat I was concerned  
about  
Now I want you I see you lookin now I'm a thug it out  
Don't slip look again girl if you do I'm goin in tell em lil mama wat you wa  
itin for I just want you to know,  
I ain't playin I ain't playin girl you already kno

I see you lookin at me exactly like you know wat it do  
When I leave wher I'm at. make my way over to you  
Cause I ain't playin with you girl (just want you to know) I ain't playin  
If I whisper in your ear wats goin thru into my head baby  
I bet you turn around n tell me baby let's le-eave

If you a fly young chick I'm a fly young nigga  
Plenty dudes make fake us but nobody got a swag like mine  
Feelin horny girl I kno you want me girl  
I'm bout to tell you wat I'm thinking baby close your eyes  
I'm right here baby I'm in your ear baby  
Let's make a movie need to get that ass in here baby  
I like to drink a lot let's take it to my spot  
Soon as we hit the doooor were guna drink some more  
And I'm a kiss you here and I'm a kiss you der and I'm a kiss ya, kiss ya, k  
iss ya  
Kiss ya everywhere (bow wow) said I'm a kiss you der and I'm a kiss ya, kiss  
ya, kiss ya  
Kiss ya everywhere

I see you lookin at me. exactly like you know wat it do  
When I leave wher I'm at make my way over to you  
Cause I ain't playin with you girl (I just want you to know) I ain't playin  
If I whisper in your ear wats goin thru in my in my head baby  
I bet you turn around n say baby let's le-eave

They say rockstars live da life, but I beg to differ  
Tommy lee and nikki sumtin ain't got shit on this nigga  
From some playboy bunnies girls with deyre own money  
Got em so backed up in my sidekick it ain't funny  
Got em high enough in parties sometimes keep da red carpet  
Cause I don't know how to stop it. once I get it started  
I go hard go hard when I'm in da paint quick to let you know I'm errthing da  
t your nigga ain't.  
If he ain't got a mil ticket a mansion and a condo fleet full of cars den yo  
u need to let your man go.

This ain't bout da money baby dis about a good time and I ain't trying to re  
place your man I'm just talking bout this one time  
And your mind saying no but your body saying yes how you droppin in dat dres  
s and your eyes tell the rest  
So don't slip (jecho) look again (jecho) girl if you do I'm goin in
