Checkin out da sound  
That we keep throwin down  
We keepsit crunk everyday  
Young Weezy what you gotta say

A miracle mono-creation  
Bow Wow on da set  
Hyped up with the bass  
And a little bit of what ya love  
From a brotha who's  
Smooth like a criminal  
I mean some primal  
Otherwise knowm as a villian  
because I'm roofless  
I'm da best out and  
I'm killim 'em  
But most I know  
Not to deal with me  
It'sobvious who ya'll came to see?
