

1. Back there somewhere  
I can hear her calling out.  
I've got so much I can tell her  
She knows I miss her,  
I know she thinks about me too.  
I can just cannot wait to kiss her

\*: On the boulevard we danced  
I tell her if I get the chance  
Just what all this means to me.  
Maybe I'll just say we can run away  
Never look back  
Never doubt it.

R: You don't owe me anything  
I owe everything to you  
Take my hand and  
Hold on.
