

Dance With You

Bowling For Soup

1. How's it feel to be alone now
how's it feel to be by yourself
you got me, I didn't get you back
then you got me, again

R: You got inside through a hole in my defenses
and how you fit I'll never understand
but you got into me, and I got into you
and now, I wanna do it again

2. How's it feel to know now
whatcha think 'bout that
you got me, now we can't go back
you'll never get me again

*: I only wanna Dance with you
I only wanna Dance with you
You go up down turn around merry go round and round
shake it shake it two time dose doe cotten eyed joe
run around pull me down never gonna come around
I'm never gonna forget you
