Your stressed out at full throttle (naw)
Got so many problems I don't need more (yeah)
I'm with my friends we just wanna roll (naw)
Right on through to the other side
Right on through, we will neva hide
Cause this is our town to ride
And our Chevey will fly

Here we go

Everybody's gonna get down, Let's Go
Here we go

Everybody's gonna get down.. let's go!

This is our plan understand
We're blastin out music from a foreign land
Reggae and soul,
punk, rock and roll,
boom-box, radio.
With all this music
We don't wanna drop (yeah)
With all this music
We'll never stop
And... nonstop night spot
nonstop night spot, night spot not stop

Here we go
Here we go
Everybody's gonna get down, let's go
Here we go
Here we go
Everybody's gonna get down.... let's go!

I've been to Kingston
I've been to London, Osaka, Nevada
And back to Brooklyn, I've been to Nevada,
I've been to Stockholm, Sacramento, Fresno,
I've been to Oakland.

It's not about flexin
Or startin a fight
It's not about who's wrong or right
It's all about hanging with your friends tonight
At 7-11 everyday and night

Here we go
Here we go

Everybody's gonna get down, let's go
Here we go
Here we go
Everybody's gonna get down.... let's go! Here we go
Here we go
Everybody's gonna get down, let's go
Here we go
Here we go
Everybody's gonna get down.... let's go!
