

Waves hit rocks and folks get wet  
I was gonna say something but now I forget  
Chocolate covered cherries with the milk on the side  
I'll meet you at the party if I find a ride

Helicopters fly and birds like to nest  
Elvis or the Beatles who cares who's the best? (Beatles)  
Raleigh is the capital of North Carolina  
Peanut butter sandwich with some Aunt Jemima

And If you were me  
You'd probably see  
What I'm talking about

Talk is cheap but I can't afford it  
And counting sheep don't work anymore  
My head is turning circles but I got you, I got you

The coast is clear the view is distorted  
Lots to do and I'm always bored  
Nothing in my wallet but I got you, I got you

Credit or debit with your super market basket  
Bring your own tote no paper no plastic  
In the sun or the rain always bring an umbrella  
Get a lollipop from the pretty bank teller  
Go cart track with a '57 Chevy  
I carry my weight but I'm getting kinda heavy  
Fuzzy Wuzzy was a bear, Fuzzy Wuzzy had no hair  
Fuzzy Wuzzy wasn't fuzzy was he? (was he?)

And If you were me  
You'd probably see  
What I'm talking about

Talk is cheap but I can't afford it  
And counting sheep don't work anymore  
My head is turning circles but I got you, I got you

The coast is clear, the view is distorted  
Lots to do and I'm always bored  
Nothing in my wallet but I got you, I got you

Sometimes you've gotta run and put your foot on the pedal  
Other times you've gotta stay and bring the metal  
Doesn't matter to me, 'cause I've got you, IGOTCHOO!

Talk is cheap but I can't afford it  
And counting sheep don't work anymore  
My head is turning circles but I got you, I got you

The coast is clear the view is distorted  
Lots to do and I'm always bored  
Nothing in my wallet but I got you, I got you
