

Love Goes Boom

Bowling For Soup

S-S-S-Saw you in December
I can't believe that summer got here so fast
I hardly can remember
Crawling through the dust cloud after the blast
T-T-T-Trippen over land mines
Falling over words when I see your face
Oh yeah, you took your sweet time
Breakin' down the walls blowing me away

L-L-L-Love is like a hurricane
L-L-L-Love is like a car crash - and I - just can't look away
L-L-L-Love is like a time bomb 4-3-2-1
Every time you walk in the room
Love goes Boom!

Ya T-T-T-Told me that ya love me
And suddenly the sky fell to the ground
I'm sh-sh-sh-shaking like an earthquake, honey
You've got my whole world turned upside down
And I never could imagine
And I don't want to pretend
I just know that don't want this to end

L-L-L-Love is like a hurricane
L-L-L-Love is like a car crash - and I - just can't look away
L-L-L-Love is like a time bomb 4-3-2-1
Every time you walk in the room
Love goes Boom!

Love goes boom
And I don't know what to do
I swear I'm exploding
Every time I look at you

And I never could imagine
And I don't want to pretend
I just know that don't want this to end

L-L-L-Love is like a time bomb...
Love goes Boom!
