On and On (About You)

Bowling For Soup

I'm happy again to be stuck here again And you're so happy again to be stuck here again Now we can rap about "the good old days" Laugh at dumb jokes that you make It's great to be here and

I'm just elated to be someone you once hated And its all so complicated Maybe this time you can come outside your little world Make out with another girl If it were up to me

I'd like to buy you flowers everyday Make everyday a holiday Carry on and on and on about you and the things you do The things you do

Im so sorry again you say you're leaving me again Cause you're not happy again And I'm left stuck here again Now you can scream about the little things Slap me twice across the face Man it would be great if I could

I'd like to buy you flowers everyday Make everyday a holiday Carry on and on and on about you and the things you do The things you do

I'd like to buy you flowers everyday Make everyday a holiday Carry on and on and on about you and the things you do The things you do

Me gustaria comprarte flores cada dia, hacer cada dia una vacacion, Y hablar mas y mas y mas de ti de las cosas que haces.

I'd like to buy you flowers everyday Make everyday a holiday Carry on and on and on about you and the things you do The things you do
