

The Bitch Song

Bowling For Soup

Is it OK if I speak to you today?
You've been pissed off for a week now
but nothing I could say could make you look up...
Or crack up...
Is there anything that I can do
Anything to show you

You're a bitch
but, I love you anyway
Oh, you can't sing
But you still put me to sleep
Baby, you're a bitch
Hey Hey Hey Hey
You make me sick
But Don't ever go away

So you tell me that there's nothing left to say
I drive; you face the window
Then you're in my face telling me to grow up
I wish you'd grow up
I can't wait until you fall asleep, I wonder if you know that

You're a bitch
but, I love you anyway
Oh, you can't sing
But you still put me to sleep
Baby, you're a bitch
Hey Hey Hey Hey
You make me sick
But Don't ever go away

Yeah you're a bitch but I love you anyway
So why don't you.....

Stay
