

## The Bitch Song

Bowling For Soup

Is it OK if I speak to you today?  
You've been pissed off for a week now  
but nothing I could say could make you look up...  
Or crack up...  
Is there anything that I can do  
Anything to show you

You're a bitch  
but, I love you anyway  
Oh, you can't sing  
But you still put me to sleep  
Baby, you're a bitch  
Hey Hey Hey Hey  
You make me sick  
But Don't ever go away

So you tell me that there's nothing left to say  
I drive; you face the window  
Then you're in my face telling me to grow up  
I wish you'd grow up  
I can't wait until you fall asleep, I wonder if you know that

You're a bitch  
but, I love you anyway  
Oh, you can't sing  
But you still put me to sleep  
Baby, you're a bitch  
Hey Hey Hey Hey  
You make me sick  
But Don't ever go away

Yeah you're a bitch but I love you anyway  
So why don't you.....

Stay
