

Mexican Mavis

Boy & Bear

Cos they came out of the sunshine
Flowers nestled in their hair
See they've been stumbling on the backstreets honey
I won't give in, no I won't give in
'Cos my love's not a limit

He got the money man he got the fold lines
But he got the problems banging on his door
My love's not a limit

So won't you keep from the beggars of bones
For the night comes to bring them home
If they manage to keep safe skin
He'll call for her
She'll call for him

They got the taste for blood again
It's their salivating lips just won't leave them to sleep
And my love's not a limit

So won't you keep from the beggars of bones
For the night comes to bring them home
If they manage to keep safe skin
He'll call for her
She'll call for him

So won't you keep from the beggars of bones
For the night comes to bring them home
If they manage to keep safe skin
He'll call for her
