One of my motives,  
You think you know,  
They're changing daily.  
No manifesto,  
Just getting older.  
Throwing his legs  
Over my shoulder.

We'll never know hunger,  
We'll always be rich,  
'cause there's so much love in here.  
"Hello, hello," from security.  
Just how famous do you have to be?

The problem with you is  
You've got problems,  
Welcome to the human race.  
You seem a little insecure,  
Welcome to the human race.  
I love you just the way you are,  
But if only you could change.  
Welcome.

I said.

What are you thinking?  
Not very much,  
My eyes are fixed on yours.  
Complications,  
It's an adventure,  
No one needs to know but us.

We'll never know hunger,  
We'll always be rich,  
'cause there's so much love in here.  
"Hello, hello," from security.  
Just how famous do you have to be?

I'm into you.  
I'm into the style.  
I'm into that.  
I'm into drag  
I'm into lube  
I'm into nationally knowing it's me.  
I'm into boys.  
I'm into food.  
I'm into theory.

Welcome.
