

# Whether They Like It Or Not

Boy George

I'm a total experience  
This is how I play  
I'm not one of those people  
With nothing much to say  
I'm here to get busy  
I'm here to throw down  
I'm here to tell you that the  
Boy's back in town  
I want to tell you something  
That you don't know  
Don't know about me  
They are much too blind to  
Ever know the truth  
Why can't they see  
I don't care what people say  
I don't care what people do  
I can do what I want to do  
Whether they like it or not  
Satisfaction guaranteed  
That's the way to go  
Ain't no use in telling you  
What they don't need to know  
Some people are chilling  
Some people are fly  
That is what I'm telling you  
Just don't believe the hype
