## **Turning Inward**

**Boy Hits Car** 

Turning in widows of life Fearing what else I'm doing pondering a world of hope watching the flying doves but say farewell to faith and tomorrow's dream of life cuz merely today is the day that I will die

so don't forget me if we don't make it cuz I'm so scared standing naked

maybe one day I'll figure out
what is going on inside
my kind grows so angry
sometimes feels good to cry
and can you feel the void between us
I guess I'm the one to blame for this
Maybe one day we'll meet again
Losing ourself in the seas

The city is left

don't forget me
if we don't make it
cuz I'm so scared
standing naked

and I can't feel the pain of this world and want to become as wide as the shy and forest

Just one last caress Of a pacific we can be one tonight through the pain and the fight just one last caress of a pacific we can be one tonight through the pain and the fight

turning inward cuz I feel sometimes the ones we ale an image of the rest two words unable to mesh so let your flesh devour our dead skin leaving us fresh and free from old sin maybe we'll have one last caress like it will be our last breath so

don't forget me
if we don't make it
cuz I'm so scared

don't forget me
if we don't make it
cuz I'm so scared
standing naked

and I can't feel the pain of this world and want to become as wide as the shy and forest

Just one last caress Of a pacific we can be one tonight through the pain and the fight just one last caress of a pacific we can be one tonight through the pain and the fight

Just one last caress Of the Pacific we can be one tonight through the pain and the fight
