

Someone's Got To Send Out Love

Boy Meets Girl

What do I overlook
To write these songs of love?
Do I overlook the pain?
Overlook the sorrow?
Do I overlook the ones
Who can't hang on 'til tomorrow?

What I feel is love
'Cause it cools the pain
When you're caught in the flood
Someone's got to send out love
Shelter from the rain

Someone's got to cry
Someone's got to shout
Someone's got to send out love
Someone's got to cry
Someone's got to shout
Someone's got to send out love

What do I overlook
To write these songs of love?
Do I overlook the pain?
Overlook the sorrow?
Do I overlook the ones
Who can't hang on 'til tomorrow?
