

# Everything You Want

Boyce Avenue

Somewhere there's speaking  
It's already coming in  
Oh and it's rising at the back of your mind  
You never could get it  
Unless you were fed it  
Now you're here and you don't know why

But under skinned knees and the skid marks  
Past the places where you used to learn  
You howl and listen  
Listen and wait for the  
Echoes of angels who won't return

He's everything you want  
He's everything you need  
He's everything inside of you  
That you wish you could be  
He says all the right things  
At exactly the right time  
But he means nothing to you  
And you don't know why

You're waiting for someone  
To put you together  
You're waiting for someone to push you away  
There's always another wound to discover  
There's always something more you wish he'd say

He's everything you want  
He's everything you need  
He's everything inside of you  
That you wish you could be  
He says all the right things  
At exactly the right time  
But he means nothing to you  
And you don't know why

But you'll just sit tight  
And watch it unwind  
It's only what you're asking for  
And you'll be just fine  
With all of your time  
It's only what you're waiting for

Out of the island  
And into the highway  
Past the places where you might have turned  
You never did notice  
But you still hide away  
The anger of angels who won't return

I am everything you want  
I am everything you need  
I am everything inside of you  
That you wish you could be  
I say all the right things  
At exactly the right time

But I mean nothing to you and I don't know why  
And I don't know why  
Why  
I don't know
