

I'll Be The One

Boyce Avenue

I'll be the one
When it's getting hard to breath
You can fall on me
You can fall on me
You can fall on me

I'll be the one
That you can always reach
You can call on me
You can call on me
You can call on me

I can be, the one for you
The one you needed
I can be your everything, yeah
Everything you need
This is all that I want
This is all that I need
I can be
The one for you, the one you need, the one

I'll be the one
I'll be the one

I'll be the one
If we're ever lost at sea
You can rock with me
You can rock with me
You can rock with me

I'll be the one
To throw away the key
You can stay with me
You can stay with me
You can stay with me

I can be, the one for you
The one you needed
I can be your everything, yeah
Everything you need
This is all that I want
This is all that I need
I can be
The one for you, the one you need, the one

I'll be the one
(ooooh)

This is all that I want
This is all that I need
I can be
The one for you, the one you need
The one

I'll be the one
I'll be the one
