If you ever leave me, baby
Leave some morphine at my door
'Cause it would take a whole lot of medication
To realize what we used to have,
We don't have it anymore

There's no religion that could save me
No matter how long my knees are on the floor
So keep in mind all the sacrifices I'm makin'
Will keep you by my side?
Will keep you from walkin' out the door?

'Cause there'll be no sunlight If I lose you, baby There'll be no clear skies If I lose you, baby

Just like the clouds
My eyes will do the same
If you walk away
Everyday it will rain, rain, hey, hey, hey

I'll never be your mother's favorite Your daddy can't even look me in the eye Ooh, if I was in their shoes, I'd be doing the same thing Sayin' there goes my little girl Walkin' with that troublesome guy

But they're just afraid of something they can't understand Ooh, but little darlin' watch me change their minds Yeah, for you I'll try, I'll try, I'll try, I'll try I'll pick up these broken pieces 'til I'm bleeding If that'll make you mine

'Cause there'll be no sunlight If I lose you, baby There'll be no clear skies If I lose you, baby

Just like the clouds
My eyes will do the same
If you walk away
Everyday it will rain, rain, hey, hey, hey

Oh, don't just say goodbye
Don't just say goodbye
I'll pick up these broken pieces 'til I'm bleeding
If that'll make it right

If you ever leave me, baby Leave some morphine at my door

'Cause there'll be no sunlight If I lose you, baby There'll be no clear skies If I lose you, baby Just like the clouds

My eyes will do the same

If you walk away

Everyday it will rain, rain, rain, hey, hey, hey
