

# Jumper

Boyce Avenue

I wish you would step back from that ledge, my friend  
You could cut ties with all the lies, that you've been living in  
And if you do not want to see me again  
I would understand, I would understand

The angry boy, a bit too insane  
Icing over a secret pain  
You know you don't belong

You're the first to fight  
You're way too loud  
You're the flash of light on a burial shroud  
I know something's wrong

Well, everyone I know has got a reason  
To say put the past away

Wish you would step back from that ledge, my friend  
You could cut ties with all the lies that you've been living in  
And if you do not want to see me again  
I would understand, I would understand

And well, he's on the table  
And he's gone to code  
And I do not think anyone knows  
What they are doing here

And your friends have left you  
You've been dismissed  
I never thought it would come to this  
And i, I want you to know

Everyone's got to face down the demons  
Maybe today we can put the past away

I wish you would step back from that ledge my friend  
You could cut ties with all the lies  
That you've been living in and if you do not want to see me again  
I would understand, I would understand, I would understand

I would understand  
I would understand  
Understand

Can you put the past away?  
I wish you would step back from that ledge, my friend  
I would understand

I wish you would step back from that ledge, my friend  
I would understand  
I wish you would step back from that ledge, my friend  
And I would understand

I wish you would step back from that ledge, my friend  
I would understand  
I wish you would step back from that ledge, my friend  
And I would understand
